

Dear Colleagues:

On behalf of the organizing committee of the ACEM24-AWAS24, we are very pleased to inform you that the "2024 International Conference on Advances in Wind and Structures (AWAS24)" will be held during the 2024 World Congress on Civil, Environmental, and Materials Research (ACEM24).

A combination of on-site and online platforms will be adopted. All participants who are not be able to travel to Korea, you can still participate via online platforms. Four different types of participation options are available: 1) Real-time Zoom online presentation (based on Korean Standard Time); 2) on-site physical presentation at the K Hotel, Seoul, Korea; 3) pre-recorded video or PowerPoint slide with audio; and 4) poster presentation.

Details of the ACEM24-AWAS24 are:

Date: August 19 (Mon) ~ August 22 (Thu), 2024

Website: [www.acem24.org](http://www.acem24.org)

Venue: The K Hotel Seoul ([www.thek-hotel.co.kr](http://www.thek-hotel.co.kr)), 70 Baumoe-ro, 12-gil, Seocho-gu, Seoul.

The International Conference on Advances in Wind and Structures – 2024 will be chaired by:

Prof. Thomas Kang (Seoul National University, Korea, [tkang@snu.ac.kr](mailto:tkang@snu.ac.kr))

Invited keynote speakers for the ACEM24-AWAS24 are as follows:

Dr. Amal Elawady (USA)

Dr. Ashraf El Damatty (Canada)

Dr. Thomas Kang (Korea)

Dr. Yi-Qing Ni (Hong Kong)

Dr. Vincenzo Picozzi (Italy)

Dr. Tim Tse (Hong Kong)

Dr. Grace Yan (USA)

Dr. Le-Dong Zhu (China)

Please be noted with the important dates at website. The extended deadline for abstracts is May 28, 2024 and for full papers (min. 4 pages) is August 1, 2024, to be included in the e-Proceedings that will be available during the actual conference (Aug. 19-22, 2024). Please be aware that participants have sufficient time (at least 3 weeks) to improve their manuscript even after the deadline.

To submit your abstract/paper, please go to [www.acem24.org](http://www.acem24.org). Since the AWAS24 Conference will be held in close association with Techno-Press journal "Wind and Structures, An International Journal" (WAS), many quality conference papers will be selected and authors be asked to update for publication in the AWAS special issue of the journal of WAS.

Please visit the our [website](http://www.acem24.org) for more details. It will be greatly appreciated if you can pass the information about the Symposium and Conference to your colleagues who may be interested in. You can contact Prof. Thomas Kang ([tkang@snu.ac.kr](mailto:tkang@snu.ac.kr)) or the organizing committee of ACEM24 ([info@acem24.org](mailto:info@acem24.org)) if you have any queries.

We hope to see you in Seoul in August 2024!
